SUPPLEMENTARY INFORMATION:

Purpose of the Committee: To provide advice and guidance on a continuing basis to the Office of Science and to the Department of Energy on scientific priorities within the field of advanced scientific computing research.

Purpose of the Meeting: This meeting is the semi-annual meeting of the Committee.

Tentative Agenda Topics:

- View from Germantown
- Program Response to the report from the Next Generation Networking for Science Committee of Visitors
- Update on Exascale project activities
- Summary of workshops on technologies “beyond exascale”
- Technical presentations
- Public Comment (10-minute rule)

The meeting agenda includes the program response to the report from the Committee of Visitors on the Next Generation Networking for Science program; an update on the budget, accomplishments and planned activities of the Advanced Scientific Computing Research program; an update on exascale computing project activities; information on recent workshops exploring potential technologies “beyond exascale” – such as quantum computing and neuromorphic computing; a technical presentation from an exascale researcher; and an opportunity for comments from the public. The meeting will conclude at noon on April 5, 2015. Agenda updates and presentations will be posted on the ASCAC Web site prior to the meeting at: <http://science.energy.gov/ascr/ascac/>

Public Participation: The meeting is open to the public. Individuals and representatives of organizations who would like to offer comments and suggestions may do so during the meeting. Approximately 30 minutes will be reserved for public comments. Time allotted per speaker will depend on the number who wish to speak but will not exceed 10 minutes. The Designated Federal Officer is empowered to conduct the meeting in a fashion that will facilitate the orderly conduct of business.

Those wishing to speak should submit your request at least five days before the meeting. Those not able to attend the meeting or who have insufficient time to address the committee are invited to send a written statement to Christine Chalk, U.S. Department of Energy, 1000 Independence Avenue SW., Washington DC 20585, email to Christine.Chalk@science.doe.gov.

Minutes: The minutes of this meeting will be available within 90 days on the Advanced Scientific Computing website at <http://science.energy.gov/ascr/ascac/>
